**Weapon Blocking Attack**

This power allows user to do blocking attacks using the weapon attack pattern. User will block attacks from all directions of the pattern. Attack pattern is same as weapon (no double strike). Used with Blocking Attack actions.

**Forced Moving Attack**

This power allows the user to force themselves into the location. This is done by a series of furious attacks or sheer force. The result is the user will not be bounced back during a collision. Used with Moving Attack actions.

Background:

Waniki is trained and skilled in the Skuurai style of fighting. This style relies on pressing your opponent with attacks to defeat them.

Waniki is middle aged, bald, and wears red robes. He says it is to hide all the blood he spills of his enemies. But do not be fooled, he has a gentle heart. He is blunt and to the point.

He is a master of the Shuurai fighting style. This style develops the special actions of Moving Attack and Blocking Attack. These actions are used in the Sen So arena to offer more options during combat. They are for the more advanced players of the game.

Waniki came from the school Sen attended and has in fact trained Sen in the Skuurai style. Sen does not often show these skills unless pressed by need for their use. Waniki now teaches at the Sen So School.

Waniki uses the Shuurai style weapons of Tanto and Wakizashi in combat.

Waniki - "The true power in combat is in the offensive action. Shuurai is the key to mastering this action. I have little respect for those who dance around the arena, fearing to fight as a true warrior should."
